

AVALON OUTDOOR BLACK COFFEE TABLE

L454

ASSEMBLY INSTRUCTION

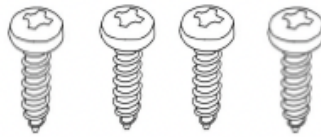

PARTS

Top Table

Legs

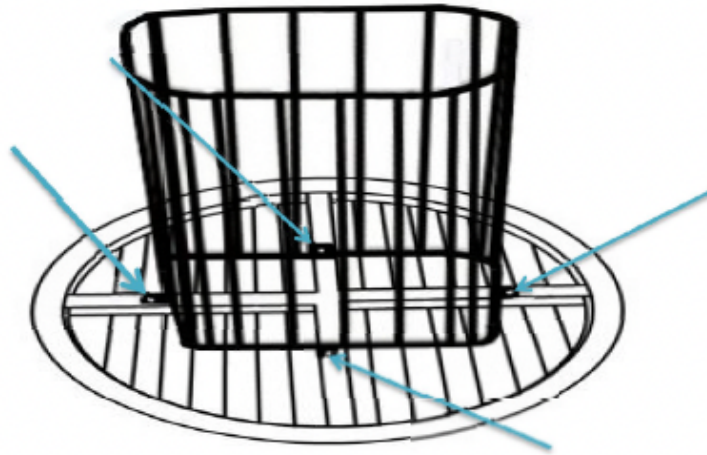

4 Pcs Screw

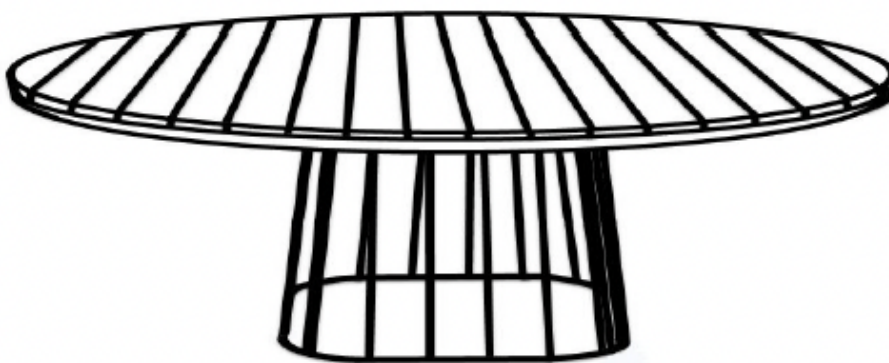

IMPORTANT

**No power tools - Use hand tools only Do not
overtighten screws**

DINING TABLE INSTALLATION

1. We recommend placing the table top and table legs upside down to make it easier to insert the Screw
2. Install the legs so that the screw go in through the intended holes.
After this is done, please secure the screw
3. After all legs are secured,
please carefully turn the table to the right position

4. The table is now ready for use

IMPORTANT

No power tools - Use hand tools only Do not overtighten screws
